The TYPO3-Conference, which will take place in the Holiday Inn Frankfurt City South Hotel, will allow TYPO3-Experts and persons interested in TYPO3 to share and communicate all aspects of the current development state and implementations of this worldwide market-leading Content Management Systeme (CMS). The event will be organised in the name of the TYPO3 Association by punkt.de GmbH.

The TYPO3 Conference is the most comprehensive meeting of the TYPO3 Community. Historically the T3CON takes place in Germany, since there are some very active agencies, which have contributed immensely and on the front line to the development and enhancement of the CMS TYPO3. The Conference offers the unique chance to meet the initiator of TYPO3, Kasper Skårhøj, as well as the chief development staff of TYPO3 Version 5.0 or to talk to the core developers of Version 4.3 about new features and enhancements.
